**TO CEOs OF ISO MEMBERS,
STANDARDS DIRECTORS, CHAIRS,
COMMITTEE MANAGERS AND
CONVENORS**

**INFORMATION REGARDING ISO GOVERNANCE AND TECHNICAL MEETINGS –
EXTENSION OF MEASURES TO 30 NOVEMBER 2020**

Dear Members,

Following my letter dated 15 July 2020, regarding the measures in place for ISO governance and technical meetings during the COVID-19 crisis, I would like to inform you that it has been decided, with the support of the ISO President's Committee, that the measures to hold all meetings virtually be **extended to 30 November 2020**.

The extension of these measures will continue to be reviewed, according to the agreed criteria, and communicated on a monthly basis.

I would like to reiterate that these decisions are taken based on safeguarding the health and wellbeing of people in the ISO community, to ensure the business continuity of our Organization, and provide certainty and clear guidance to the community regarding meetings that have been planned for the upcoming months. Detailed guidance in order to implement this decision is available from <https://connect.iso.org/x/fZVHCw>. The ISO Council and Technical Management Board (TMB) have been duly informed. The TMB will update their exceptional policy measures accordingly.

I also take this opportunity to update you that ISO Central Secretariat (ISO/CS) offices will re-open to ISO/CS staff, in a restricted capacity in accordance with local authority health and safety regulations, from 1 September 2020. When not in the office, staff will continue to telework, remaining available to support ISO members and the technical community.

Best regards,

Sergio Mujica
